Budget, Financial Management & Operations Advisory

AFG provides disciplined financial-management, budget, operational, and organizational advisory support for government partners, nonprofits, and growing organizations.

CORE COMPETENCIES

- Budget formulation, execution, forecasting, and spend-plan support
- Budget-to-actual analysis, reconciliations, dashboards, and management reporting
- Financial controls, cost analysis, cash-flow visibility, and operational decision support
- Government financial and acquisition support, including contract and invoice analysis
- Business-process improvement, operating rhythms, policies, procedures, and implementation support
- Organizational strategy, program evaluation, impact measurement, and leadership development

DIFFERENTIATORS

- Founder brings 15+ years of federal budget and financial-management experience
- Executive public-service experience overseeing an approximately \$4B annual financial portfolio
- Leadership experience across teams of budget professionals and complex regulated environments
- Experience supporting multibillion-dollar federal budget execution, contractor analysis, and executive decision-making
- Veteran-owned and Virginia-certified small business positioned for prime and subcontract support
